The day will be an opportunity to explore / discuss some of the themes from Rev Master Leandra's talk and make real connections by getting to know each other better as a basis for supporting and deepening our practice.

We would like to encourage as many people from each meditation group to attend this meeting and to hold discussions within your groups on "How best can we support each other in deepening our training" before the event. **We refer you to Working Group on Lay Sangha Communication and Dialogue - e mail attached.**

The Schedule of the Day will be posted closer to the event. Please bring a packed lunch.

We would be grateful if you could let us know by 21 July if you / members of your meditation group are attending.
